

Dear Author / Researcher,

Ved International Journal of Medical and Health Sciences (VIJMHS) invites high-quality, original research papers for publication in its **inaugural issue (2026)**.

This is an exciting opportunity to be part of the **first-ever issue** of a journal dedicated to advancing medical and health sciences. We warmly welcome researchers, clinicians, and academicians to contribute and showcase their work to a global audience.

Important Information

- **Frequency:** Quarterly (4 Issues per Year)
- **Language:** English
- **Category:** Double-Blind Peer-Reviewed, Open Access Multidisciplinary Medical Journal
- **Start Year:** 2026
- **DOI:** Assignment will be initiated after the publication of the inaugural issue.

Note: The journal is **newly launched and not yet indexed** in Scopus, Web of Science, PubMed, or UGC CARE. Authors are advised to submit only if comfortable publishing in a new, non-indexed journal.

Aims & Scope

VIJMHS invites papers of **all types in all aspects of medical and health sciences**.

The journal welcomes:

- Original research articles
- Review papers
- Systematic reviews & meta-analyses
- Case reports
- Short communications

Papers of all relevant types within the journal's subject area are invited.

Submission & Deadline

- **Last Date for Submission:** **28th of Feb**
- **Submission Links:**
 - Online Submission Form: [**Click here for Submition link**](#)
 - Email Submission: [**info.vedacademicpress@gmail.com**](mailto:info.vedacademicpress@gmail.com)
 - Call for Paper PDF: [**PDF**](#)

Why Contribute?

This is your chance to **share your research with the medical community**, gain visibility, and be part of a **new and promising journal**.

We encourage you to **share this announcement with colleagues and friends** who may be interested. Your support helps build a strong academic community around [**VIJMHS**](#).

Warm regards,

Editorial Office
